LEARNING

Welcome

This book goes with both National 2 Lifeskills Mathematics workbooks: **Number, Shape and Data** and **Money, Time and Measurement**. Each topic has the same theme as its workbook topic, with four activities:

IN EACH TOPIC

Colouring page	a picture from the topic to colour in
Word search	find the key words from the topic
Puzzle	a code breaker or a mystery picture, solved with simple sums
Brain teaser	a maze, number puzzle, dot to dot or spot the difference

> **WHEN TO USE IT**
> Use these pages when you finish your work early, at the end of a lesson, or any time you need a calm break.

- [ ] COUNT
- [ ] DOOR
- [ ] HOUSE
- [ ] NUMBER
- [ ] ORDER
- [ ] POST
- [ ] STREET
- [ ] TEN

CHALLENGE

Pick three of the words and explain what they mean to a partner.

BOOK 1 · TOPIC 1 · CODE BREAKER

Code breaker

Work out each sum. Write the answer in the small box, then use the key to find the letter. The letters spell out the answer to the joke.

Why was the maths book sad?

18 − 4	8 + 12	2 + 1	10 + 1	4 + 9	19 + 1	11 − 1	1 + 9

10 + 7	14 − 3	5 + 1	16 − 9

0 + 1	10 + 5	6 + 4	1 + 4	4 + 5	20 − 18	19 − 2	19 − 15

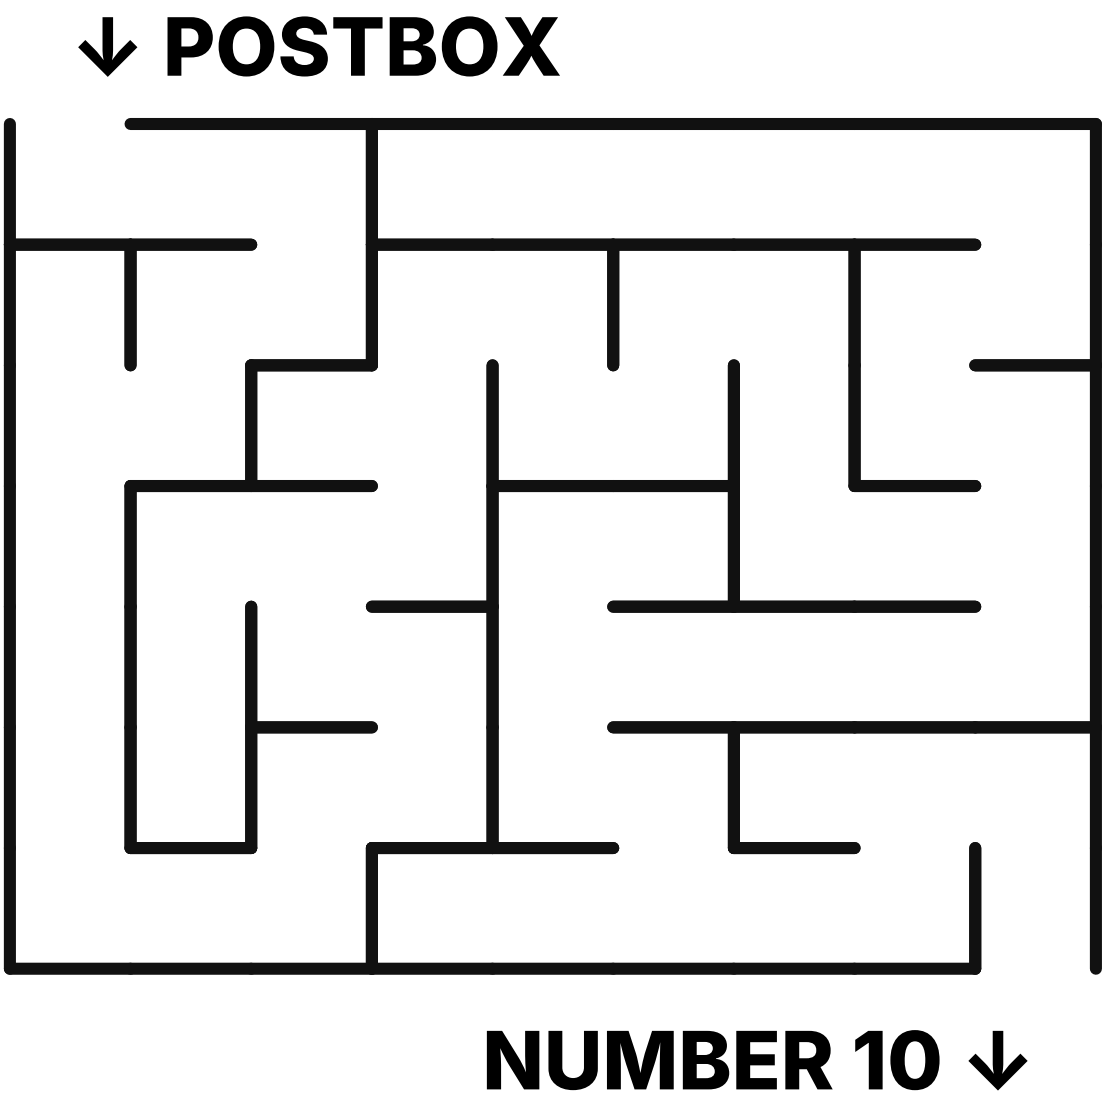

1	2	3	4	5	6	7	9	10	11	13	14	15	17	20
P	E	H	S	B	N	Y	L	O	A	D	I	R	M	T

Key: find your answer in the top row, then write the letter underneath it.

BOOK 1 · TOPIC 1 · MAZE

Find the way

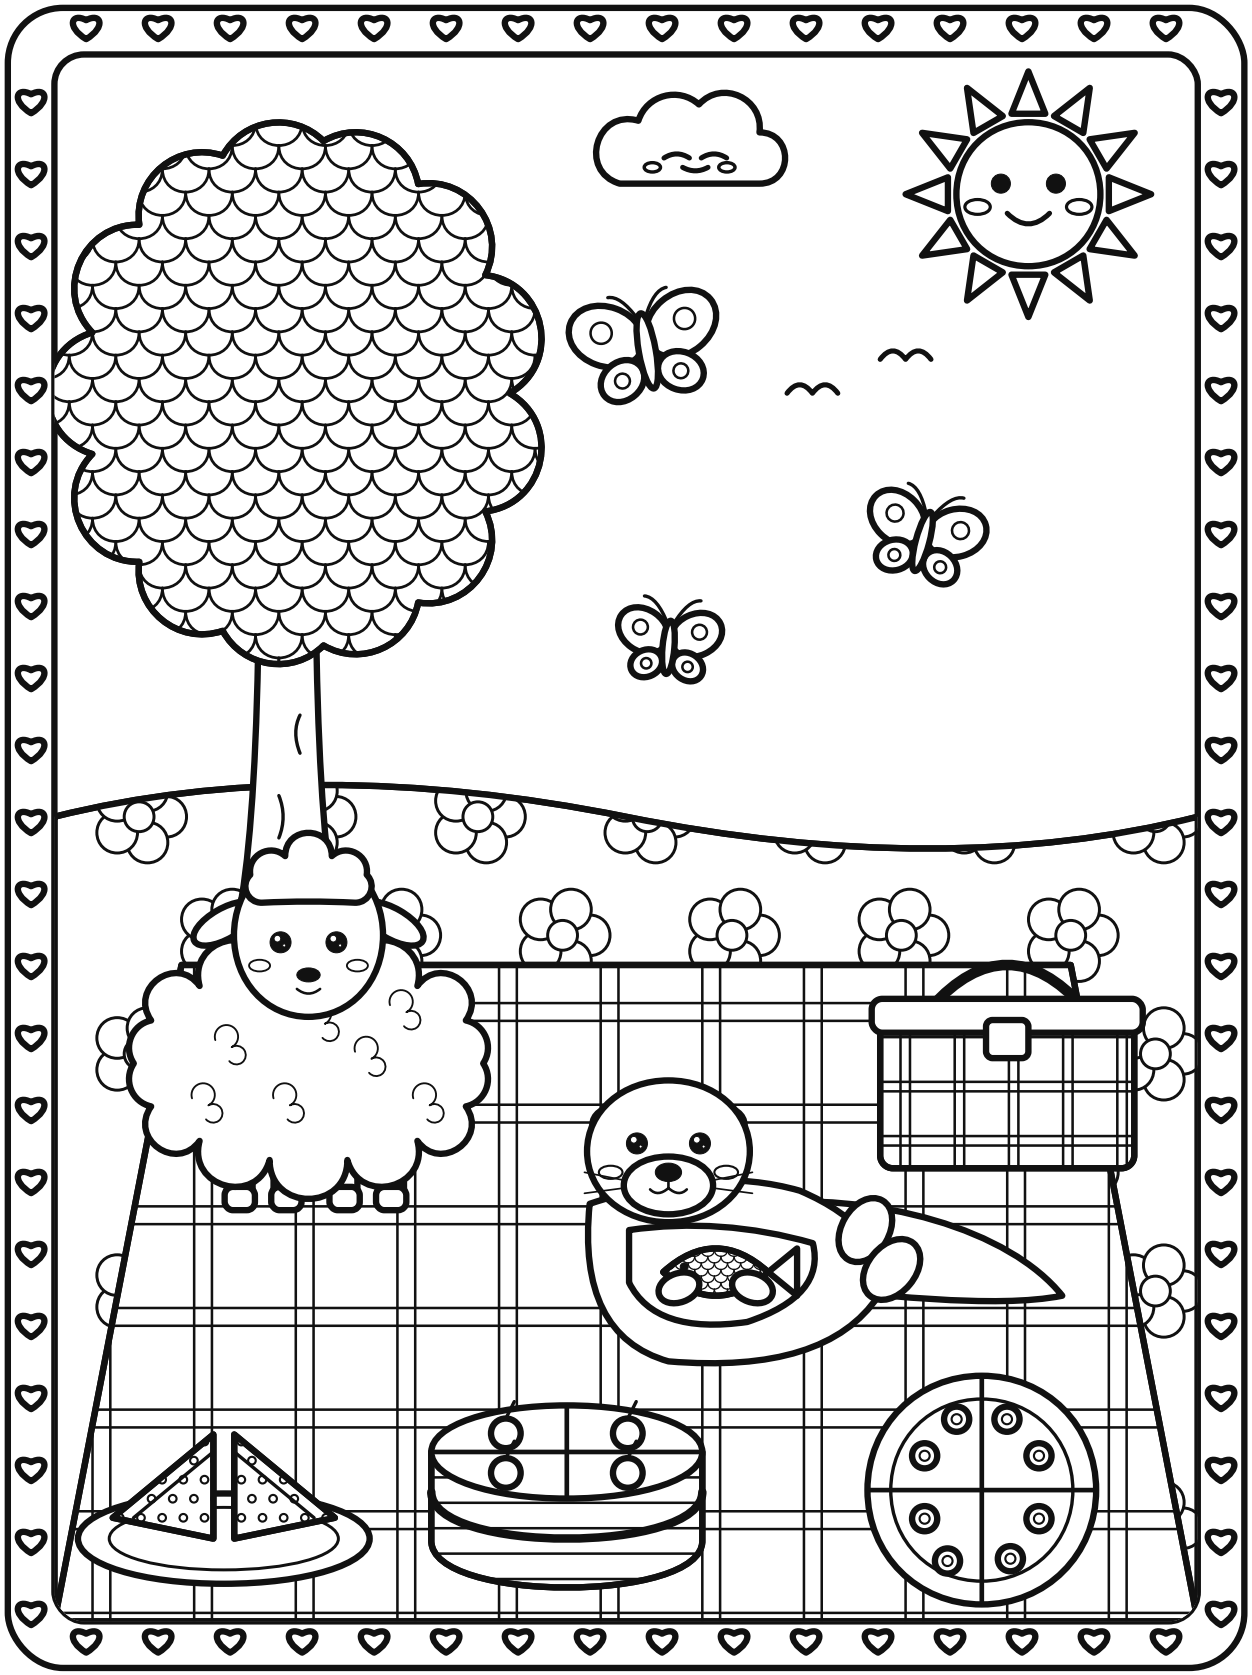

Help the puffin take the letter from the postbox to number 10.

BOOK 1 · TOPIC 2 · HALVES AND QUARTERS

Colour in: Picnic in the park

Colour the picture any way you like. Take your time with the patterns, and try to stay inside the lines.
